The miraculous side of legislation in heirship

Abstract: This research deals with one of the miraculous topics, which is the miraculous side of legislation in heirship. I started the first part explaining the meaning of miracle and illustrating the miracle of prophet (peace be upon Him), then I mentioned some sides of the miraculous nature of the holy Quran. I turned in the second part to talk about the miraculous side of heirship in its basis and aims. I pointed to some issues that Islamic legislation maintained in heirship which indicate the great wisdom that characterizes Islamic legislation. I finally mentioned some evidences of the rules of heirship which are the full wisdom and justice.
